

Certificate of Warranty

Proscenium LLC provides the following warranty to the business listed below for the new closed circuit television system:

12 Months Parts and Labor

This warranty covers all parts and labor required to repair or service any components of your new CCTV system (excluding freight and travel). Covered under this warranty is any component failure.

Proscenium LLC agrees to its sole option to fix or replace any defective equipment under the terms of this warranty. This warranty is not intended to replace insurance. Proscenium LLC makes no representations on the systems effectiveness or ability to prevent losses, theft or shrinkage. Further this warranty does not cover damage from vandalism, misuse, abuse, neglect or damage caused by power failure, fire, flood or any other events of nature or acts of God. This warranty shall become void if any component of the system has been modified, altered or changed in any way by any other person other than an authorized Proscenium LLC technician.

The undersigned mutually agrees this warranty is offered by Proscenium LLC a Florida Limited Liability Corporation in accordance with the laws of the State of Florida, therefore any disputes arising from this agreement shall be the subject matter jurisdiction of the Courts of the State of Florida and it is specifically agreed that a venue shall be proper solely in Pinellas County Florida. Warranty validation effective upon execution of general terms and conditions contract agreement.
